Sewn Open Mouth (SOM) Bags

18½ x 33 Plain Flat Tube 3-Ply – 3/50s Extensible w/ Heavy Anti-skid

“The 182 Stock Bag” – Named “The 182” because it was our 182nd multiwall bag order (we have now surpassed 100,000 multiwall orders), this EZ-open sewn bag with yellow crepe tape, a thumb notch, and perforations has excellent anti-skid properties, making it an ideal package for one bushel of grain or seed.

16 x 4 x 35 Plain 3-Ply – 3/50s Natural Kraft [also 15x3½x35” bags while supplies last]

Ideal for Mixed Feeds or other general purposes; has thumb notch, nat. crepe tape, EZ-open, & no perms

Self Opening Satchel (SOS) Bags

10 x 20¼ x 6½ Plain 2-Ply – 2/50s Natural Kraft

Holds 24 to 30 pounds; thumb notch; useful as a baler bag

12½ x 19 x 8 Plain 2-Ply – 2/60s Natural Kraft

Holds approximately 40 pounds; thumb notch; useful as a baler bag

12½ x 25 x 8 Plain 2-Ply – 2/60s Natural Kraft

Holds approximately 60 pounds; thumb notch; useful as a baler bag

Pinch Bottom Stepped End (PBSE) Bags

16 x 5 x 31 Plain 3-Ply – 3/50s Natural Kraft

General purpose 50-pound pinch bag; customer adhesive at top; folds top to face, bottom to back

Pasted Valve Stepped End (PVSE) Bags

18½ x 23 x 5½ Plain, Perforated 3-Ply w/ Film-Lock Sleeve

1/60 Natural Kraft + 2/50s Natural Kraft

General purpose valve bag that's ideal for 50 pounds of soybeans or other seed; has overall & u-v perms

20 x 23 x 5½ Plain, Perforated 3-Ply w/ Film-Lock Sleeve

2/60s Natural Kraft + 1/50 Natural Kraft

General purpose valve bag that's ideal for one bushel of soybeans or other seed; has overall & u-v perms

18½ x 23 x 5½ Wildlife Products Camo Bag

1/60 Natural Kraft + 2/50s Natural Kraft; 3 Colors Printed; Film-Lock Sleeve

This green, brown, and black camouflage printed bag is ideal for 50-lbs of deer corn or other wildlife products. The bag has an image of 2 deer on the face, a wild turkey and a shooting target on the back, and the phrase “WILDLIFE PRODUCTS” printed on the face and sides. Has under-valve perms.
